1. The completed form shall be returned to the Club Treasurer, with payment
2. The Treasurer shall inform the Club's executive of the application, and if acceptable to them, s/he shall then confirm with the sponsors and circulate the applicants name(s) to the membership. 3. If objections are raised, the Club's executive will convene and decide on an appropriate course of action.
4. Each application must be sponsored by two current members of the club or, if the applicant does not know two members, then one member and someone in the boating/sailing community who can vouch for them.
5. The membership year runs from 1 January through 31 December All new members are required to complete the Membership Payment Form each year to remain active members but, since the initial membership fee covers three years, additional membership dues are not required until the fourth year.
