Telephone: 613-652-2666      VHF: Channel 68  
Harbour: 44° 50.00' N, 74° 19.26' W

Please note our [web address](#) and e-mail addresses

On behalf of **The Thousand Islands Yacht Club**, our Bridge and our members would like to extend to you and your members reciprocal privileges as outlined below. In 2015 we extended our reciprocal privileges on a perpetual basis.

The **TIYC** is a small group of cruising boaters, both sail and power, based out of [Iroquois Marine Services](#). This marina and harbour are located on the St. Lawrence River, approximately 1/4 mile above the Iroquois Seaway Lock. It is a Canada Customs Port of Entry. Through special arrangements with the marina, our Club is able to offer mooring and docking privileges to members of other reciprocating Yacht Clubs. We are members of [LOCCA](#).

IMS offers the **first night's mooring free**, and thereafter at \$1.50 Cdn per foot. We ask that members of reciprocal clubs use their membership cards to identify themselves to the Marina office when arriving.

To get into the Iroquois harbour, enter the 7 foot channel at Buoy 112, Chart 1434. From the Red and Green daymarks at the entrance it is approximately 0.5 nm from the channel entrance to the docks. Keep the Old Galop Canal berm about 30 feet off your port side until you come to the cut in the berm to enter the harbour area. There are buoys in the last part of the channel, when entering from the river. (You are coming against the current, so keep Reds to starboard and Greens to port.) **Centre your boat in the cut (don't "cut the corner")**. If you have not received instructions on VHF 68, bear to starboard and tie up on the long service dock.

The offices and facilities are at the top of the rise up from the marina area.

By road, we are on County Road 2 (Old Highway 2), 1 km west of the intersection of Carman Road (Hwy 401 Exit #738) in Iroquois. For supplies and services, the Village of Iroquois is just under 3km away and offers many amenities: a grocery store, pharmacy, LCBO store (wine, spirits and beer), Royal Bank, Bank of Montreal Interac machine (in grocery store) and an airstrip. For leisure, Iroquois offers a golf course, beach, tennis courts, bike path, parks and an excellent viewing station of the Iroquois St. Lawrence Seaway Lock.

At the marina there are picnic tables and a BBQ hut with appliances including gas BBQs. Enjoy day fishing from the docks. Our boat basin flourishes with wildlife. For the boat lover, the marina yard has many on-going projects and yachts of all descriptions.

IMS marina is very dog friendly, but please pick up after your pet.

**Iroquois Marine Services** caters to yachtsmen, power boaters and vacationers on the St. Lawrence River. It is a full service boatyard and marina, specializing in winter storage, winterizing, seasonal and transient dockage, hull painting, boat maintenance & repairs. The 20-ton open-end travel lift is always available for hull inspections, hauling & launching. Although all and any work on your boat can be professionally arranged by the marina, boat owners are encouraged to work on their own boats once they are safely in the yards.

**Other services include:**

- Fuel - gas, diesel, pump-out facilities, winter storage and docks
- 15A and 30A power and water on the dock
- Snacks - Drinks
- Public Telephone - designated CBSA check-in
- Marine Supplies - oil, filters, additives, paint, varnish, solvents, epoxy, brushes, rollers, tape, cleaners, polishes, batteries, and antifreeze
- Help is always available placing and receiving custom orders
- Clean washrooms and showers
- A 20-ton travel lift and mast stepping by appointment
- Secure inside and outside storage of sail, power and commercial vessels
- A full service shop with two heated bays for repairs and maintenance
- CCTV security system.
- Wi-Fi (please ask the office for password).

There is oil, oil filter and antifreeze disposal in the boatyard. Please ask the marina staff to assist. There is a garbage dumpster at the East Yard gate.

Best regards and wishes for an enjoyable and safe cruising season!

**Sue Welsh**
